

Make a Plan TO VOTE

The only voice unborn babies
have at the ballot box is yours.

National and partisan trends
can often make us feel
discouraged.

But your vote makes such a
difference when it comes to
protecting the unborn.

For their sake, make a plan
to vote, so your voice, and
their voice, is heard.

Am I registered?

Scan the QR code to the upper right or visit **myvote.wi.gov** to see if you are currently registered.

If you are not registered, you can register by mail or online by **October 16th**.

OR you can register in-person at your municipal clerk's office up to the Friday before the election - this year, that is **November 1st**.

OR you can also register in-person on Election Day - this year, that is **November 5th**.

When will I vote?

Whether it's a snowstorm, bad traffic, or a last-minute illness, life can throw surprises your way.

You don't want unforeseen circumstances to prevent you from voting, that's why we recommend making a plan to vote early.

Voting early is now more easy and convenient than ever before!

VOTE EARLY BY MAIL

To vote early by mail, you just need to fill out an online form on **myvote.wi.gov** to have your ballot sent to you. Scan the QR code to the upper right for an instructional video on how to fill out the online form.

Once you receive your ballot, make your vote and mail it back to your municipal clerk. You can **track your ballot** on myvote.wi.gov to ensure it arrives on time!

We recommend you request your ballot *as soon as possible*, but **no later than October 31st**, the deadline to request an absentee ballot for regular and permanent overseas voters.

VOTE EARLY IN-PERSON

To vote early in-person, contact your local municipal clerk (you can find yours at **myvote.wi.gov**) to find their hours for in-person absentee voting. **Office hours and dates may vary**, and the deadline for your municipality may be between October 22nd - November 3rd.

VOTE ON ELECTION DAY

To vote on Election Day, visit myvote.wi.gov to find your polling place. Polls open at 7 am and close at 8 pm. If you are in line when polls close, you can still vote, just stay in line!

What should I bring?

All voters must have a current and valid ID to vote. Most often, this is a person's **drivers license**, but there are other forms of valid ID. Scan the QR code to the upper right or visit **bringit.wi.gov** to see if you have a valid ID, or to **request a valid state-issued ID for free**.
